

Math III – Mrs. Davis, Spring 2015

Signatures

In addition to the classroom policies and procedures outlined in the Math III course syllabus I have read and understand the following policy in regards to electronic devices in the classroom.

Electronic Device Policy Unless explicitly given permission otherwise

Unauthorized electronic device use (cell phones, iPads, iPods, etc.) is prohibited.

Students may not wear headphones or ear buds in class.

Students may not photograph or take videos of anyone in the class room without their explicit permission to do so.

Consequences

1st offense, device confiscated until the end of class.

2nd offense, device confiscated and will be kept by SMHS security until the end of the following school day.

3rd offense, device confiscated and will be kept by SMHS security for 3 school days.

Name: _____

List any medical conditions you have that I should know about?

Do you have your own graphing calculator?

Do you have access to a computer with internet access outside of school?

Do you have a "smart phone" with the capability of downloading apps?

Do you have texting capabilities on your phone?

Tell me something you think I should know about you?

Tell me about your hobbies or interests.

Have you thought about a career after high school/college? If so, what?

Favorite fast food?

Favorite home cooked food?

Favorite TV show?

Favorite type of movie? (Romance, comedy, buddy movie, horror, etc.)

Favorite movie of all time?

Favorite music genre, artist, and/or song?

How do you REALLY feel about math? You can be honest. ☺

Do you have a job? If so, where and about how many hours a week do you work?

Do you participate in any SMHS (or other) extracurricular activities? If so please list them and how many hours a week you dedicate to these activities.

Tell me about your learning style. How can I help you succeed in this class?
